

# CUDDINGTON AND SANDIWAY GALA JUNE 8th 2024 SCARECROW COMPETITION

We are once again holding our popular scarecrow competition.

The theme this year is **THE OLYMPICS**

There are 2 categories:

**Families** and **Other Organisations**

Entries can be made via email - see contact information below, or left at the library.

Please ensure that you have given the following information;

1. Name of organization (For **Families** please give family surname)
  2. Full address, with postcode, where your scarecrow will be displayed and a contact telephone number
  3. Which category your entry is for.
  4. *Entries should be submitted by May 29th and scarecrows up by Sunday June 2nd*
- ◆ Your scarecrow must be within the parish boundary and be on private land but clearly visible from the public highway. Judges will not enter private property.
  - ◆ A sign will be delivered to you before judging commences showing your entry number. This must be displayed by your scarecrow to ensure that the judges don't miss it.

**Judging will take place from June 2nd and winners will be announced at the Gala**

Please take a photo of your scarecrow, sadly there have been isolated incidents of vandalism occurring before judging is completed. When you have taken your photo why not post it on our facebook page? We'd love to see it .

There will be a winner and a runner up prize for each category and other prizes may be awarded at the judges' discretion.

**Any further queries?**
